

Points: sources, ledger, and sinks

Not yet provisioned in production - design ready, behaviorally inert
Zero earning rules active | ledger not provisioned | all 184 verified users carry a zero balance

Earning fans in from system, activity, and trip rewards; spending fans out to coupons and pay-with-points entry fees.

Design rationale: gamification ranked 48.3 vs financial 63.6 (F4) — points are intentionally a complement to cash, not a replacement.
